ANNUAL REPORT
OF THE TOWN OF
EAST KINGSTON

For The Year Ending

December 31, 1979

ABOUT THE SEAL

Until competition for a seal was announced, I was unaware after having lived here over fifty years, that the Town did not have one. The entry I submitted has Trickling Falls as its central focus for here the Town's early activities, homes and businesses were located.

The Indian on the seal recognizes that these native townspeople were also a part of our early cultural heritage. The Colonial soldier, while dated by uniform and flag, symbolizes that spirit of which all small New England towns are very proud - the spirit of freedom and independence, and the little towns fought well for these in all our wars.

While the three main elements of the design are separate entities, not one of itself alone in the Town's pride or spirit or even its past: the falls are still there, we still fight for freedom when necessary. Only the Indian has gone, but he should be remembered and every once in a while he lets us know he passed this way by revealing a sunken canoe in a cedar swamp or maybe an arrow head dropped among the rocks not far from Trickling Falls.

YES-123 NO-72

Article 4 Motion by David Andrzejewski and seconded by James Grey to see if the Town will vote to raise and appropriate the sum of $108,025.00 less estimated revenues to defray Town charges for the ensuing year

(VOTED—YES)

Article 5 Motion by Daniel Bodwell and seconded by Bruce Levis to see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

(VOTED—YES)

Article 6 Motion by Richard Smith Jr. and seconded by Arch Osmond to see if the Town will vote to raise and appropriate the sum of $50,000.00 by the issue of bonds or notes for the purpose of renovating the Town Hall to provide additional office space for Town Officers. And authorize the Selectmen to determine interest rates, maturity dates, and related details with said bonds and notes. After discussion a motion by William Osgood and seconded by Melvin Bowley to modify the amount of Article 6 to $25,000.00 and budget the rest was made. After discussion the motion to modify was withdrawn by Mr. Osgood & Mr. Bowley. A second motion by William Osgood and seconded by Melvin Bowley was made to modify Article #6 to $30,000.00. This motion to amend the original motion was voted on. (Voted-No) Motion to amend Article #6 to provide that Selectmen consult with professionals and enter competitive bidding by David Kinchla and seconded by Richard Pelley. A vote taken on this motion to amend Article #6. (Voted-No) Lewis Tilton made a motion seconded by Wilma Young to move the question on the original motion. (Voted-Yes) Original motion on Article #6 voted by a show of hands. Counters were Robert Belcher, Everett Stone, and James Grey. Yes-51 No-59

(VOTED—NO)

Article 7 Motion by David Andrzejewski and seconded by James Grey to see if the Town will vote to raise and appropriate the sum of $18,000.00 for the purpose of constructing a two room addition to the Town Hall to provide additional office space for Town Officers.

(VOTED—NO)

ARTICLE 8 Motion by Daniel Bodwell and seconded by Elliott Estey to see if the Town will vote to authorize the Selectmen to receive and expend additional Highway Subsidy Funds, estimated to be $3,042.07 for the construction or reconstruction of Class IV and Class V Highways.

(VOTED—YES)

ARTICLE 9 Motion by Richard Smith Jr. and seconded by Rita Fairbanks to see if the Town will vote to raise and appropriate the sum of $1,150.00 for the Exeter visiting Nurse Association.

(VOTED—YES)

ARTICLE 10 Motion by David Andrzejewski and seconded by Francis Smith to see if the Town will vote to raise and appropriate the sum of $229.12 against the State appropriation of $1,527.47 for Class V Road Assistance.

(VOTED—YES)

ARTICLE 11 Motion by Daniel Bodwell and seconded by Nancy Reiss on petition of Richard A. Smith Sr. and 13 others to see if the Town will vote to join the Southeastern New Hampshire Regional Planning Commission, and raise and appropriate the sum of $627.60 as its contribution to its support. After discussion the article was put to a vote. (VOTED—YES)

ARTICLE 12 Motion by Wilma Young and seconded by David Conti on petition of Wilma A. Young and 77 others to see if the Town will vote to raise and appropriate the sum of $1175.00 to assist in the formation of an Emergency First Aid Squad, which will be a separate Town department, run by a Director (appointed or) chosen by the Board of Selectmen and to be used to acquire the necessary items and pay the following expenses. Appropriate Insurances-$435.00; Three Jump-Kits $400.00; Communication Equipment $300.00 and operating money $40.00. After a discussion of the article a motion was made to move the question by Denis Plante and seconded by Marie Robie. (VOTED-YES).

Original Motion (VOTED—YES)

ARTICLE 13 Motion by Richard Smith, Jr. and seconded by Wilma Young to see if the Town will authorize the Board of Selectmen to make application for and to receive and spend up to $5,500.00 of funds that may become available to the Town under, "The Comprehensive Employment and Training Act of 1973" as amended (CETA) for the purpose of providing federally subsidized training and employment opportunities to benefit both residents of the community and the community at large.

(VOTED—YES)

ARTICLE 14 Motion by David Andrzejewski and seconded by Marie Robie to see if the Town will authorize the Board of Selectmen to make application for and to receive and spend in the name of the Town, such advances, grants-in-aide, or other funds for Town purposes as may now, or hereafter be forth coming from

Federal, State, local or private agencies that would be of benefit to the Town.

(VOTED—YES)

ARTICLE 15 Motion by Daniel Bodwell and seconded by Wilma Young to see if the Town will vote to accept the provisions (of) RSA 80:52-A authorizing the Tax Collector to accept payments in advance of assessment and prior to notification, such payments to be credited against eventual assessment.

(VOTED—YES)

ARTICLE 16 Motion by Richard Smith Jr. and seconded by Wilma Young on petition of Robert M. Belcher and 9 others to see if the Town will vote to raise and appropriate the sum of $369.00 to assist Rockingham Child and Family Services, a private non-profit organization. The amount of this request is based on services rendered to 33 residents of the Town of East Kingston during the period July 1, 1977 through June 30, 1978, inclusive. These residents used $765.00 worth of service, however, only $396.00 could be billed according to their ability to pay. We therefore request the minimum amount needed from the Town, in this instance being $369.00. These funds to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing individual and family counseling for residents of the Town of East Kingston whether or not said residents are able to pay.

(VOTED—YES)

ARTICLE 17 Motion by Richard Smith Jr. and seconded by Francis Smith to see if the Town will vote to transfer and allocate from the Fire Truck Capital Reserve Fund the sum of $3,639.74 to defray the charges incurred in purchasing, equipping and making necessary repairs to the Tank Truck.

(VOTED—YES)

ARTICLE 18 Motion by Daniel Bodwell and seconded by Elliott Estey to see if the Town will vote to allocate Revenue Sharing Funds of $7,490.08, including interest of $507.08 unexpended funds of $75.00 and unappropriated Funds of $6,908.00 to be allocated for the following projects.

Fire Department Radios	$1,500.00
Library	3,000.00
Office Equipment-Town Clerk	300.00
Emergency Radios C.B.	575.00
Roads	2,115.08

After mention that line reading Emergency Radios C.B. should read Emergency Radios C.D. vote was taken.

(VOTED—YES)

ARTICLE 19 Motion by Richard Smith Jr. and seconded by Francis Smith to see if the Town will vote to raise and appropriate the sum of $4,500.00 to pay Firemen for Fire Calls and training, and the unused portion to be put in the Capital Reserve Fund.

(VOTED—YES)

ARTICLE 20 Motion by David Andrzejewski and seconded by Wilma Young to see if the Town will accept the reports of the Town

Officers and Auditors as printed in the Town Report after bringing the following errors and corrections to the attention of the Voters:

Page 43 Total Credits should read $49,139.24 not $49,149.24

Page 49 Frank Welch, heirs of should read $29.98 not $29.88

Page A-4 Warrent should read Emergency Radios C.D. not C.B.

Omitted from the Town Report, Tax Collector Audit of March 1978, below:

Property Resident & Yield Tax Warrents
Levy of 1977

DR

Uncollected Taxes-As of Jan 1, 1978	$206,279.95
Added Taxes During 1978	00.00
Overpayment A/C Property & Resident Taxes	125.98
Interest & Penalties Collected During 1978	197.77
TOTAL DEBITS	$206,603.70

CR

Remittances to Treasurer During 1978	$159.839.20
Abatements Allowed During 1978	470.00
Uncollected Taxes Dec. 31, 1978 (As per list)	46,294.50
Unremitted cash Dec. 31, 1978	00.00
TOTAL CREDITS	$206,603.70

(VOTED—YES)

ARTICLE 21 Motion by David Andrzejewski and seconded by Marie Robie to transact any business that may legally come before this meeting.

1. Motion by Ronald Metcalf and seconded by David Woodburn to turn the town garage (Brailsford) over to the Police Association for use as an interrogation room and office. The Association will refurbish at their expense and if not done in one year this property will be returned

to the Town. No intent to deed. After a discussion Wilma Young motioned to move the question and Robert Belcher seconded the motion. (VOTED-YES) Original Motion, (VOTED-YES)

Mention by David Andrzejewski of the need to consider a revaluation of the Town as the last one was done in 1972 and revaluation should be done on a ten year cycle.

David Andrzejewski thanked Wayne Day for his assistance in obtaining the Voting Booths from the City of Nashua.

Statement of appreciation by David Andrzejewski for the Town Officers who give unselfishly and with dedication to the Town, and to Marion Avery the Selectmen's Secretary.

Mention of the projects of the Eagle Scouts in the community, Marc Chevalier who did a census and Joe Bowley who painted the library.

Mention of appreciation to Daniel Bodwell for stepping in and filling the vacancy on the Board of Selectmen until March 1979.

Suggestion by Bea Osmond that a microphone be used in the future so that all might hear what is being said.

At the direction of the Moderator, the voting being concluded, the meeting was declared to be adjourned at 10:00 P.M.

A true record,
Virginia A. Corton
Town Clerk

SELECTMEN'S REPORT
1979

This has been a year of change and activity for the Town. The face of our Town has been altered by some very hard working and dedicated individuals. The March Town Meeting being a starting point for many of them.

One of the Town's newest departments was formed this year - that being the Emergency First Aid Squad. Mrs. Wilma Young was appointed as director of the squad. The Town made application for a Highway Safety grant for Emergency Medical Services which provided matching funds on a 50/50 basis. The squad was able to purchase two radios to add to the Town's communications network.

Regarding the communications network, also added to this were radios for the Civil Defense Director and Road Agent. Along these same lines all Town, including fire and police, radios were equiped with crystals of the Town frequency so that cross department communication is now possible.

Improvements to the Town buildings took place this past year - some of which were electrical work at the Town Hall, some old outside lights were replaced and additional ones added.

The Library building received a new roof and the parking lot was improved.

By far the most outstanding improvement was to the garage next to the Fire Station that was turned over to the police. They have done themselves proud and the community as well by the improvements they have made to the building in converting it to a police station at no cost whatsoever to the taxpayer. The Town made application to two funding services - the Crime Commission and Highway Safety. We were denied by the Crime Commission and were able to procure a small grant from Highway Safety of $400.00. However, due to the time frame they gave us to work in, we were unable to use it.

This year the Selectmen saw fit to make an appointment to the position of Building Inspector which will be an annual appointment. The position was filled by Everett W.

Stone. There have also been some changes made in the requirements for issuance of permits. Anyone interested should contact Mr. Stone.

Additional appointments were made to the Planning Board and Board of Adjustment. This was done to try and increase the Town's people involvement in these very important Boards.

Due to the changes adopted by the Legislature, it has become mandatory for the Town to provide an unemployment insurance program. This was done through a program set up by the New Hampshire Municipal Association.

Roads were a point of concentrated work this year. The Joslin Road project started in 1978 was pretty much finished with the exception of paving. A project to improve Stumpfield was started during the year and will continue on this next year. Another project started late this year was the filling and grading of one branch of the "Y" on the east end of Giles Road. This was started due to some concern over safety of the existing arrangement due to the increased traffic on this road.

The CETA program this past year, although not as large as the '78 program, appeared to be just as effective. The two girls involved in the program did a fine job and it was very much appreciated along with the time put in by Mrs. Molly Allen.

Equipment purchased by the Town included a tape recorder for the recording of minutes of the various board meetings, a storage cabinet for the Town Clerk and maintenance equipment for the Town building.

The Board would like to express their thanks to the Walkers of Hampton for their donation and return of one of the Town's old millstones. Also thanks to the Historical Committee for their work in arranging for this return. In addition to the millstone, the Walkers also donated a Civil War saddle to the Towns Historical Committee.

This past year, a first in the history of the Town was undertaken - that being the adoption of a Town Seal. It started with a competition to develop a design. Five designs were chosen by a committee to appear on the ballot to be voted on at Town Meeting. The winning design was one submitted by William Wright of Sanborn Road picturing Trickling Falls and the Grist Mill. Following the selection, the des-

ign was submitted to Shirley Batchelder, an artist, for final preparation before striking the seal. Upon receiving the final art work, it was forwarded to Hoffman Seal and Stamp Engraving Company of Boston for manufacture.

Respectfully submitted,

David C. Andrzejewski, Chairman
Richard A. Smith, Jr.
Walter B. Schlotterbeck

SELECTMEN'S REPORT

Town of East Kingston, N.H. in account with the Selectmen

TOWN OF EAST KINGSTON

1979 REAL ESTATE ASSESSMENTS

This booklet concains the names of the owners of real estate in the Town of East Kingston as of April 1, 1979, together with the amounts for which each property was assessed for tax purposes as of April 1, 1979.

The assessed valuations for this year were based by the Selectmen on appraisals made by appraisers employed by the Selectmen.

David C. Andrzejewski
Richard A. Smith, Jr.
Walter B. Schlotterbeck

LIBRARY TRUSTEES REPORT

January 1, 1980

Another successful year ends for the East Kingston Public Library. An increasing number of people are served as can be seen by the number of books circulated.

Our library is, as always, ably taken care of by our librarian, Mrs. Jane Bowley.

A very much needed new roof has finally been installed. We now need a new bookcase which is included in our budget for 1980, and hopefully can be supplied from revenue sharing funds.

A summer reading program was carried on for children, also the usual movies, every two weeks. Mrs. Allen has had a program for pre-schoolers every week.

We still would like some volunteer help.

Thanks to all who have given and helped the library in any way.

Margaret C. Tilton
Chairman, Board of Trustees

TOWN WARRANT
and
TOWN BUDGET

State of New Hampshire

THE STATE OF NEW HAMPSHIRE

The polls will be open from 10:00 a.m. to 7:00 p.m.

To the Inhabitants of the Town of East Kingston, New Hampshire in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the East Kingston Town Hall in said East Kingston on Tuesday, the eleventh, (11th) day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To see if the Town will vote to raise and appropriate the sum of $114,500.00 less estimated revenues to defray Town charges for the ensuing year.

3. To see if the Town will authorize the Selectmen to hire money in anticipation of Taxes.

4. On petition of Henry F. Lewandowski, Jr. and sixty-seven (67) others to see if the Town will vote to establish a Capital Reserve Fund pursuant to the provisions of RSA Chapter 35, as amended, for the financing of all the cost of the acquisition of an automobile and appurtenant equipment to be used as a police cruiser, said Capital Reserve Fund to be known as the Police Department Automobile Capital Reserve Fund.

5. On petition of Henry F. Lewandowski, Jr. and sixty-seven (67) others to see if the Town will raise and appropriate the sum of Two Thousand Five Hundred Dollars ($2,500.00) for the Police Department Automobile Capial Reserve Fund.

6. To see if the Town will vote to raise and appropriate the sum of $225.77 against the State appropriation of $1,505.17 for Class V Road Assistance.

7. To see if the Town will vote to authorize the Selectmen to receive and expend additional Highway Subsidy Funds, estimated to be $3,927.77 for the construction or reconstruction of Class IV and Class V Highways.

8. To see if the Town will vote to raise and appropriate

the sum of $1,900.00 for the purchase of a Bookcase ($1,000.00) for the library and a Fireproof File ($900.00) for the storage of Town Records.

9. To see if the Town will vote to raise and appropriate the sum of $15,000.00 to purchase certain land from Boston & Maine Corp.-Debtor for recreational use; authorize the Selectmen to negotiate the terms and conditions of said purchase and to apply for and to accept State or Federal Grants in aid of said project, if any, all as shall be in the best interests of the Town.

10. To see if the Town will vote to raise and appropriate the sum of $1,282.00 for the Exeter Visiting Nurse Association.

11. To see if the Town will authorize the Board of Selectmen to make application for and to receive and spend up to $5,500.00 of funds that may become available to the Town under, "The Comprehensive Employment and Training Act of 1973" as amended (CETA) for the purpose of providing federally subsidized training and employment opportunities to benefit both residents of the community and the community-at-large.

12. To see if the Town will vote to raise and appropriate the sum of $684.00 as its contribution and support to the Southeastern New Hampshire Regional Planning Commission.

13. On petition of Barbara M. Belcher and ten (10) others to see if the Town will vote to raise and appropriate the sum of $578.00 to assist Rockingham Child and Family Services, a private, non-profit organization. The amount of this request is based on services rendered to ten (10) residents of the Town of East Kingston during the period July 1, 1978 through June 30, 1979, inclusive. These residents used $1,470.00 worth of services, however, only $578.00 could be billed according to their abiity to pay. We therefore request the minimum amount needed from the Town, in this instance being $578.00. These funds to be used for current operation expenses to enable Rockingham Child and Family Services to continue providing individual and family counseling for residents of the Town of East Kingston whether or not said residents are able to pay.

14. To see if the Town will vote to appropriate and allocate Revenue Sharing Funds of $7,728.00, said sum being made up of interest of $549.00, unexpended funds of $475.00 and unappropriated funds of $6,704.00; to be allocated for the following projects:

Fire Department Hose	$1,250.00
Police Department radios	2,094.00
Town Clerk, Tax Collector's Office & Town Hall Repairs	4,384.00

15. To see if the Town will vote to raise and appropriate the sum of $600.00 to provide a salary for the position of Deputy Town Clerk-Tax Collector.

16. On petition of Anthony R. Batal and 10 others to see if the Town will vote to raise and appropriate the sum of $1,000.00 for the purpose of buying Monkey Bars and accessories for Foss-Wasson Field.

17. On Petition of Wilma A. Young and 9 others to see if the Town will vote to raise and appropriate the sum of $280.00 to purchase 1 Portable Oxygen Kit and tuition for one Squad Member to receive E.M.T. (Emergency Medical Technician) Training.

18. To see if the Town will vote to raise and appropriate the sum of $1,710.00 to provide continuing Ambulance Service to the Town. Said Service to be provided by EMT-Ambulance Service of Exeter, N.H.

19. To see if the Town will vote to raise and appropriate the sum of $5,000.00 to pay firemen for Fire Calls and training, and the unused portion to be put in the Fire Truck Capital Reserve Fund.

20. To see if the Town will vote to raise and appropriate the sum of $7,000.00 to finance the cost of reappraising and revaluation of all lands and buildings in Town which are subject to taxation, and to authorize the Selectmen to contract for such service and to negotiate the terms and conditions of any such contract.

21. To see if the Town will vote to authroize the Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or another governmental unit or a private source which becomes available during the fiscal year in

accordance with the procedures set forth in RSA 31:95-b.

22. To see if the Town will accept the Reports of the Town Officers and Auditors as printed in the Town Report.

23. To transact any business that may legally come before this meeting.

Given under our hands and seal, this Twenty-first (21st) day of February, in the year of our Lord nineteen hundred and Eighty.

ANIMAL CONTROL OFFICER'S REPORT

In 1979 there were 214 dogs licensed.

Dogs hit by vehicles	3
Stray dogs picked up	2
Dog bites	4
Complaints	12
Disposals	2

Starting as of January 1, 1980, we have a new Animal Control Officer. His name is Dr. Robert A. Marston. His telephone is 778-0570. He lives on Giles Road.

Dog owners are reminded that licenses are due April 1st and may be obtained from the town clerk. Proof of rabies shot must be shown at this time. Also, if your dog is neutered or spayed, proof of this alteration must be shown.

A rabies clinic will be held during the month of April and any dog may be licensed at this time.

Respectfully Submitted,
Chief Edward Morrill

TO THE CITIZENS OF EAST KINGSTON:

At this time I would like to thank the people who donated funds for our new police station, also the many donations that we received from out-of-town. I would also like to thank the police officers for the time they donated in constructing the building, David Woodburn and Douglas Fowler for their time, and Elon Travis for the wonderful paint job he did on the building. The police station is open to all for an inspection.

The police station will be open Mondays through Fridays from 6:00 p.m. to 9:00 p.m. for anyone wishing to do business with the police department.

Sincerely yours,
Chief Ed Morrill

The East Kingston Police Association would like to take this opportunity to thank the many people who through their generous donations of money, labor and materials have helped our new police station become a reality. There is still much to be done and all donations would be greatly appreciated. Please feel free to drop in and say hi and look over our new station anytime.

REspectfully,
Ernest Goudreau
E. Kingston Police Assoc.

THE ANNUAL REPORT OF THE EAST KINGSTON VOLUNTEER FIREMAN'S ASSOCIATION

We held our Annual Association Meeting in April. We also had our Annual Supper which was put on by members of the Association. Also new officers were elected.

They were:

President: Phillip Poole
Vice President: Austin Carter
Secretary: Robert Reagan
Treasurer: Harvey Purington

We had two guests at the meeting this year.

One was John Busfield from Busfield-Cranton Oil Co. in Haverhill, Mass. He was presented with a certificate of appreciation and a paid up life membership in the Association. This was given for his help in our purchase of the tank truck T-4. A gift was also presented by the Selectmen in appreciation.

Our second guest and speaker for the night was Bill DiProfio. He is Assisant Manager for Public Service of New Hampshire. He gave a talk and showed slides on Nuclear Energy Plants. Bill lives here in town. Thanks again Bill for an enjoyable evening.

The Association bought a Roto Dix file for the radio room this year. Information was gathered for it by Brian Estelle as a service project for the Boy Scouts. All town residents and houses are listed in it, which is a big help to the department.

In June we were host town for the Mutual Aid Training with the town of Kingston, Brentwood, South Hampton, Newton, and Kensington, on L.P.G. tanker fires. This turned out to be a very successful training session.

Saturday, August 11 our annual Lobster Festival was held. Again this year the weather wasn't in our favor. We had a fair turn out but we had a lot of lobsters left over. We would like to see more support from town residents because this is the only means of raising money for the

Association now that we no longer have beano, most of our money goes to the Fire Department which helps all of us on our taxes. This year the Association donated seventeen hundred dollars to the Department for equipment.

This year we had a dunking booth with the selectmen taking turns to be dunked and a good time was had while at the same time a sizeable amount of money was raised for the Association.

Sunday, August 12, the field day and parade was rained out. It was postponed till September 9. Again with a very large turn out this year. With teams from Maine and Mass., as far away as Wells Beach, Maine and Georgetown, Mass. Also Farmington, N.H.

The oldest truck in the parade being a 1936 Ford from Georgetown, Mass. The newest being a 1979 Mack truck from Exeter, N.H.

The Best Private Award was a 1937 Diamond T from Kensington, N.H. Again this year our muster team was very active attending 9 Musters and winning 53 trophies.

At this time the Association wished to thank everyone who helped in any way to make the Lobster Festival and Field Day a success.

Once again Santa Claus made his visit to town on Christmas Eve, sponsored by the Fireman's Assocition.

Respectfully yours,
Phillip R. Poole
President

CALLS TO ASSIST PUBLIC

We put water in the well at Brown's Academy so school could keep.

Had a portable pump call at Henecke's home for a split hot water tank.

We entered (6) six parades of which two were in town.

Held fire drills in the schools.

PLEASE READ THIS

With the high price of heating oil, it seems that the next step is putting in wood burning stoves. Along with these stoves and improper installation, plus operation, comes chimney fires, partition fires and sometimes whole rooms or the entire house.

If you are thinking of burning wood, please make sure your stove is installed the way insurance companies have set up.

Distance from walls and combustabul material, floor protection, safe chimneys. Make sure to have a clean chimney and try to keep them clean.

Also it is a good practice if you are installing a wood burning stove to have it checked.

You can call:

Belcher 642-3338, Smith 642-5544, Conti 642-8822

A MESSAGE FROM THE FIRE DEPARTMENT

A very good item for everyone to put in their home is a smoke detector. This small inexpensive item can save your life and your home.

You can obtain smoke detectors that use house current or one that uses batteries. This small item can give you enough time to get out and call the fire department.

To call for a fire whether it is large or small

DIAL
642-5266

Respectfully yours,
Chief Robert M. Belcher

EMERGENCY SQUAD REPORT

The East Kingston Emergency Squad has been in service to the town for a year. During the year the squad has made 14 runs of varying natures.

As a service to the town, the squad also provides two free Blood Pressure Clinics. Members of the squad assisted the boy scouts in earning their First Aid Badges. The squad also gave instructions to the local recreation people, concerning first aid.

At this time, there are 5 squad members who provide coverage 7 days a week from 7:00 p.m. to 7:00 a.m. Day coverage is on a voluntary basis by those squad members who are in town.

The squad has purchased with the town funds and with a matching grant, the following items.

Three (3) Jump-kits which include first aid materials.

Two (2) two-way radios

Adult and Child Ambu-bags (which helpre-establish and assist normal breathing.

One (1) long back board.

One (1) Short back board.

Two (2) extrication collars.

Set of (6) Air splints.

Set of Thomas Traction splints Adult & Child

Any town person needing emergency help may reach help by calling 772-5912. The police and the fire depts. have the squads roster sheets with the phone numbers of the squad members on call also.

This year I am requesting town money to cover the following items.

Required Insurances

One (1) portable Oxygen tank

Tuition for one (1) squad member of E.M.T. training.

Any town person over 18 years old interested in squad membership please call me.

Sincerely,
Wilma A. Young
642-3649

REPORT TO TOWNS

Report of Forest Fire Warden and State Forest Fire Service

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry our his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

1979 Forest Fire Statistics

	No. of Fires	No. of Acres
State	1,099	318
District	342	106
Town	4	4½

Dennis C. Thorell
District Fire Chief

Richard A. Smith
Fire Warden

REPORT OF TOWN ROAD AGENT

The year of 1979 began with little snow fall, requiring that little money be spent for snow and ice removal, enabling much work to be done on removing dead trees and clearing brush on various roads.

In the spring along with cold patching, the dirt roads were regraded.

The project of widening part of Joslin Hill Road was completed, and a section of Stumpfield Road has had trees and stumps removed to provide for better drainage.

It was hoped with the increase in the budget for oiling roads that approximately 3 miles of roads could be treated, but due to drastic increases in the cost of road oil, we were only able to do 2 miles.

In the fall, the mowing of shoulders was done.

The winter of 1979 was again mild and the money saved from snow and ice removal was used to do other road maintenance projects.

Money has been spent on repairing and replacing of signs but due to vandalism, they do not stay up very long.

Robert L. Rossi
Road Agent

EAST KINGSTON HISTORICAL COMMITTEE
DECEMBER 31, 1979

Our Committee has completed another year of additional research into early East Kingston records, as well as early Kingston records which pertain to the East Parish of Kingstown. We are also doing research in the files of the Registry of Deeds and Registry of Probate.

A casual conversation between Mr. Philip W. Walker of Hampton and our Chairman resulted in the donation to East Kingston of one of the Millstones from the old Grist Mill formerly located at the Upper Dam at Trickling Falls in Powwow. Mr. Robert Rossi generously donated his services to move the Mill Stone from Hampton and set up the stone near the Town Library. The younger children are taking an active physical interest in and on the old Mill Stone.

We were recently told that Mr. Brian McLaughlin's house on Powwow River Road was formerly a school house in South Hampton and moved to its present location prior to the Civil War.

Another project on this year's agenda was to photo copy the Vital Statistics from 1738 thru 1851. This extension project was completed during the year.

The committee continues to look for old pictures of the Town and items of historical interest which would be donated for current and future reference.

Frederic L. Smith, Chairman

REPORT OF THE EAST KINGSTON PLANNING BOARD 1979

A Planning Board meeting was held in early January of 1979 for the sole purpose of organizing a Sounding Board to assist the Planning Board in developing a Master Plan. A Master Plan is necessary to uphold our controlled growth section of the Zoning Ordinance.

At the Town Meeting it was voted to join the Southeast Regional Planning Commission. They have been a tremendous help in getting us started on our Master Plan and at this time we are well on our way and are in hopes of presenting a plan to the people in late 1980 or early 1981.

There are about 25 members on the Sounding Board who meet at the Town Hall the 2nd Wednesday of every month. Anyone is welcome to attend.

The Board held four Public Hearings for Subdivisions and granted approval for them. They contained 7 new building lots.

The Board also approved the road construction on the Kinchla's Subdivision.

The Zoning Regulations were reprinted with all the amendments added.

During the year ten test pits and percolation tests were viewed by a member of the Planning Board.

Four mylar plans were signed by the Planning Board for recording purposes only.

Richard A. Smith Sr.
Chairman of Planning Board

ANNUAL REPORT
EAST KINGSTON BOARD OF ADJUSTMENT
DECEMBER 31, 1979

The East Kingston Board of Adjustment meets in response to applications for individual relief from the general application of the zoning laws of the Town. Applications received prior to the fifth day of the month will have a public hearing scheduled on the fourth Tuesday evening of that month. Applications received after the fifth day will have a public hearing scheduled for the fourth Tuesday of the following month. The time delay is necessitated in order to comply with the legal notice periods required by the law.

In 1979, two applicants came before the Board. Duane Colby requested relaxation of setback and sewage disposal requirements in order to permit construction of a residential unit on a small pre-existing lot on Rowell Road. The application was denied. Alfred W. Paul requested a variance to permit the conduct of a rooming house business at a residence he owns on South Road, and then requested a variance to convert that residence to a two-family dwelling. Both applications were subsequently withdrawn following a preliminary hearing.

In addition to the above, Marshall E. Merrill has filed an appeal in Superior Court from two separate decisions of the Board of Adjustment denying his application for a variance to permit a commercial operation at his home located in a residential area. The Board has met regularly with the owners of Frost's Garage to develop a mutually acceptable understanding of activities needed to satisfy the terms of a conditional variance permitting their various commercial activities at that location.

The Board of Adjustment has modified its five-member composition by the addition of three permanent alternates. Under the new system, the alternates will participate in all Board activities including hearings, with the exception that they will not vote except in the event that a regular member is absent and one of the alternates is asked to fulfill that position on that occasion. It is hoped through this process that knowledgeable substitutes will

always be available in the absence of a regular member and, just as importantly, that these additional participants will be positive contributors to the activities of the Board.

Applications for variances may be obtained from the Selectmen's Office or from Mrs. Carolyn Merriam, Clerk.

William R. Osgood
Chairman

REPORT OF THE CIVIL DEFENSE DIRECTOR

As your Civil Defense Director I took a course in Radiological Monitoring given by N.H. Civil Defense Agency for Civil Defense Directors and Emergency Medical Technicians. Attended area meetings on Emergency Planning for Seabrook Station, Pease Air Force Base, and Portsmouth Naval Shipyard. We are in progress of planning for Emergency Evcuation for Town of East Kingston.

Everett Stone
Director

REPORT OF THE BUILDING INSPECTOR

The Selectmen appointed me Building Inspector in May, 1979. For period of May through Jan. 31, 1980 there were 26 permits issued.

6 - Houses
3 - Barns
5 - Garages
1 - House Trailer
7 - Additions & Alterations;
1 - Chicken House
1 - Workshop
2 - Swimming Pools

Everett Stone

ANNUAL REPORT FOR 1979
Conservation Committee Report

We met for the first time all year on November 1, 1979. At the present time we are in the process of reorganizing the committee. We did receive one application for a Dredge and Fill Permit during the month of June. The permit was denied because of an excessively high water table and other restrictions.

One of our future goals is to develop a three to five year management plan for the Eaton State Forest in our Town. This small forest does have a great deal of potential for various functions.

Donald R. Ross
Chairman

RECREATION COMMITTEE REPORT

As we begin our fourth year, the Committee would like to inform the voters that we bought a merry-go-round for Foss-Wasson Field with the remainder of the money from Article Nine of the Town Warrant. This will be delivered and set up in the spring. This year we installed the swings and slide, cemented them in the ground and finished grading the Volley Ball court in preparation for summer play.

In the spring, we held a fishing derby co-sponsered by Police and Fish & Game Department. We also had a family day in June with games and races. This kicked off our summer program in conjunction with the CETA summer program. We also supervised teenage dances at the Town Hall and co-sponsored the Gong Show, the Town Cookbook and other summer events initiated by Kim Marshall. Our committee was involved in supervising her summer internship work as a Northeastern student. She did a super job. We funded Little League and had Halloween and Christmas parties for the children which were held at the Town Hall. The Committee has hopes of ordering more equipment in 1980 for Foss-Wasson Field.

We would like to thank the Police and Fire Departments and the Selectmen for their help in all our activities. We are most grateful to the Towns people who helped by giving their much needed support and time.

Two members, Ken Shepard and Ray Chevalier, resigned this year. We would like to thank them for their efforts in the past and hope for their continued support in the future.

The Committee now includes the following personnel: Tony Batal, Chairman; Wayne Beane, Vice Chairman; Pat Mazur, Treasurer and Molly Allen, Secretary.

Respectfully submitted,
Tony Batal, Chairman

EXETER AREA VISITING NURSE ASSOCIATION, INC.

The Exeter Area Visiting Nurse Association, Inc. is a community health service that provides health care to individuals and families in their home, in the office, or in clinics. The care may be to prevent disease, promote, maintain, or restore health or it may be to minimize the effects of illness or disability.

The Association is a non-profit agency governed by a Board of Directors. This Board is made up of people who are appointed by the selectmen in your town.

Funding for the Association comes from Medicare, Medicaid, patient fees, local taxes, and donations. Town appropriations make the service available to the town.

HOME CARE. Professional nurses give care to the sick and disabled under medical direction, teach and supervise care by the family and others. They are responsible for the management of patient care, coordinating the services of other disciplines, within and out of the Agency. Care is family centered and consideration is given to the total needs of the patient and family for health promotion and disease prevention and rehabilitation as well as care and support during the dying process.

MATERNAL AND CHILD HEALTH. Free visits are made to new or expectant mothers to provide information and instruction in the care of themselves and their babies. Well Child Clinics are held twice a month and provide the following services: Physical exams by a local physician, immunizations, hearing and vision screening, lead and urine testing, special counseling, family planning and referral when appropriate. The Clinics are for infants and preschool children.

ADULT HEALTH SCREENING. Clinics are held twice a month to check blood pressure, provide diet and medication counseling, and general health instruction. Referrals are made when appropriate. Plans for 1980 include increasing the number of these clinics.

FLU CLINICS. Clinics are held each fall to immunize hi-risk (65 and over or chronic disease) persons against influenza. The number of these clinics was increased this year from two to twelve.

THERE IS NO CHARGE FOR ANY CLINIC SERVICES.

The Association has many valuable volunteers who work at the clinics in addition to staff.

MENTAL HEALTH. Visits to persons who have mental and/or emotional problems. Coordination between patient, family, psychiatrist and community.

COMMUNICABLE DISEASE. Visits to persons who have or are contacts of persons with tuberculosis for testing and/or medication and general health supervision. Other communicable diseases-testing and/or care as appropriate.

CONTINUING CARE An Agency nurse is in the local hospital part of each day to assist in planning, coordinating and arranging for care at home so that a person can move from hospital to home without any interruption in care.

8,773 units of service were provided to residents of the service area between January 1, 1979 and October 31, 1979.

Information may be obtained by calling the Exeter Area Visiting Nurse office, Monday through Friday, 8:00 a.m. to 4:00 p.m., 772-2981 or write to 17 Prospect Avenue, Exeter, N.H. 03833.

EAST KINGSTON SCHOOL DISTRICT MEETING

The annual meeting of the East Kingston School District was called to order by Moderator Robert Donovan at 7:00 p.m. on Tuesday, March 6, 1979, at the Town Hall. He reminded voters that this year the school district officers will be elected next Tuesday, March 13, at the annual town meeting, as voted at last year's school district meeting.

The moderator waived the reading of the Warrant, with no objection from the floor, as each article would be read before it was voted on.

Article I. To see if the School District of East Kingston will accept the Brown's Academy as a gift to the School District effective July 1, 1979.

Motion to accept the Brown's Academy building and lands was made by Mel Bowley, seconded by Wilma Young, and so voted.

Article 11. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the salaries for school district officials and agents and for the payment of the statutory obligations of the District.

Motion was made by Wilma Young, seconded by Mel Bowley, and so voted to raise and appropriate the sum of $394,599.00 for the purpose of this article.

Article III. To see if the district will vote to authorize the School Board to madke application for, accept, and expend on behalf of the School District, all gifts, advances, grants in aid, revenue sharing funds or any other funds for educational purposes as may now or hereafter be available or forthcoming from the U.S. Government, the State of New Hampshire or any of its municipalities or any other state, local, or federal agency.

Motion was made by Rita Fairbanks, seconded by Wilma Young, and so voted.

Article IV. To hear reports of agents, auditors, and Committees or officers heretofore chosen and to pass any vote relating thereto.

Wilma Young made a motion to accept these reports as printed in the town report with the following corrections:

Page 89 Bank Balance July 1, 1977 of $1,412.65 should be moved to the right.

Page 90 Elliott Estey should have received $6.00 with $225.00 being the total.

Page 95 Outgoing Transfer Accounts total should be $145,008.16.

Mel Bowley seconded the motion subject to the amendments indicated. It was so voted.

Article V. To transact any other business that may come before this meeting.

Motion was made by Dan Bodwell to authorize the moderator to appoint a three member committee to review the school district Officers' salaries and file their recommendations at the next annual meeting. Mr. Bodwell felt the salaries were low in respect to the work load and responsibilities of the officers. Motion was seconded by Dick Kelley and so voted.

Mr. Bodwell also questioned the long range housing needs of the students. He was told that because of the tremendous increase in students something will have to be done in the future. Right now, however, the board would rather concentrate the money on individual student costs than a new building. The present schools should be adequate for the next five years at least as a guess.

In answer to a question about a hot lunch program for East Kingston, it was stated that we do not have to have one at the present time.

The need for additional busses was questioned. The board said larger busses have recently been put on the East Kingston run. We are right at the point where we will need another bus but it is hoped that it need not be next year.

A motion to adjourn was made by Elliott Estey, seconded by Marilyn Kinchla, and so voted at 7:17 p.m.

Respectfully submitted,
Catherine J. George
Clerk

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of East Kingston, in the County of Rockingham and said State, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said East Kingston on the Fourth day of March, 1980, at 7:00 o'clock in the evening, to act upon the following subjects:

1. To see if the District will vote to raise and appropriate the sum of $2,612.00 (Two Thousand Six Hundred and Twelve Dollars) to reinstate the music teacher position at the East Kingston Elementary Schools. (By Petition)

2. To see if the District will vote to raise and appropriate the sum of $3,500.00 (Three Thousand Five Hundred Dollars) to reinstate the Teacher Intern position at the East Kingston Elementary School. (By Petition)

3. To see if the district will vote to authorize the School Board to make application, for, accept, and expend on behalf of the School District, all gifts, advances, grants in aid, revenue sharing funds or any other funds for educational purposes as may now or hereafter be available or forthcoming from the U.S. Government, the State of New Hampshire or any of its municipalities or any other state, local, or federal agency.

4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the salaries for school district officials and agents and for the payment of the statutory obligations of the District.

5. To hear reports of agents, auditors, and committees or officers heretofore chosen and to pass any vote relating thereto.

6. To transact any other business that may come before this meeting.

Given under our hands at East Kingston this 18th day of February, 1980.

E. Melvin Bowley
Wilma Young
Rita Fairbanks
School Board of East Kingston, N.H.

SCHOOL DISTRICT WARRANT

To the Inhabitants of the School District of the Town of East Kingston, County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Town Hall in said East Kingston on Tuesday, the Eleventh of March, 1980, to choose the following School District Officers, by ballot, the polls to open at ten o'clock in the forenoon, and to close not earlier than seven of the clock in the evening:

1. To choose a Moderator for the ensuing year.

2. To choose a School District Clerk for the ensuing year.

3. To choose a Treasurer for the ensuing year.

4. To choose two Auditors for the ensuing year.

5. To choose a member of the School Board for the ensuing three years.

Given under our hands at said East Kingston on this 18th day of February, 1980.

E. Melvin Bowley
Wilma Young
Rita Fairbanks
School Board of East Kingston, N.H.

SUPERINTENDENT'S REPORT
East Kingston

East Kingston school children score consistently higher on standardized achievement tests in basic skills compared to national public school norms. Children were tested in grades two, four, six and eight. While standardized test results do not measure all that is important in school, obviously, the teaching of the basic skills are vital, and the scores do give us a handle on how well children are doing in reading and mathematics.

We have over the years developed specific competencies for students to learn, and teachers to teach. Identification of specific skills and abilities desired in the instructional program have provided a concrete base from which the classroom teacher can plan the learning activities. We have divided these in small clusters of learning which we call "levels". This becomes a convenience in planning, and an incentive for the child to complete successfully a group of skills in order that he can start a new section. The end of a "level" is a check-point for evaluation and diagnostic review so that children can move comfortably and with confidence to a new "set" of skills.

I believe the success of our program as evidenced by our testing scores is eveident. Most children are learning well.

Mr. Quinn talks about the fine staff we have and some of the programs at the school. I urge you to read his report carefully.

You should be proud of your school, and the efforts that the citizens have shown in supporting the programs in the past. I realize the tax dollar is stretched to a dangerous point, but as educators we have no other place to turn but to its citizens. I trust your continued support of education will be in evidence at the school district meeting.

REPORT OF THE BUSINESS ADMINISTRATOR
Walter C. Pierce, Jr.

There are three areas which have been requiring most of my time and will continue to do so in 1980-81. These areas are: energy management, financial management and budgeting, and maintenance of plant.

Energy conservation is the single most critical component of any of the responsibilities of the Business Administrator. Recognizing this, attempts are being made to increase energy conservation awareness and to improve organizational responsiveness to worthwhile suggestions. Projects which have above average potential for minimizing consumption of fuel and electricty need to be integrated into our plant maintenance planning process. Along these lines, each school building in S.A.U. 16 has been enrolled in the Governor's Council on Energy conservation program. Energy audits have been completed for all buildings and requests for funding engineering analyses have been submitted to the Governor's Council. Regardless of whether funds are granted by the State for engineering assistance, provision for these analyses is being included in the 1980-81 budgets. In addition, maintenance projects with above average energy savings potential are being evaluated.

In the area of financial reports and budgeting the conversion to the Handbook IIR account codes, mandated by the State, has been completed. This year, the format for each school district budget reflects this conversion. In order to take full advantage of these new codes, automation of our bookkeeping and accounting procedures is being planned for 1980-81. Automation means computer and computer means increasing our capacity to analyze costs. It is hoped that the 1980-81 budgeting process and financial reporting will begin to be converted to an automated system during the summer of 1980.

Maintenance of plant is closely allied with energy conservation. Our goals for 1980-81 are to develop a more unified preventive maintenance program, improve the coordination of the maintenance and custodial effort among all districts, and implement procedures which will improve our response time to various rpojects requests.

In conclusion, in the short time I have been in this position, I have been extremely impressed with the dedication and competence of the clerical and custodial personnel. The building principals and their administrative personnel have also spent a great deal of their time assisting me. I would like to express my gratitude to all of these persons for their help and encouragement in these first few months.

PRINCIPAL'S ANNUAL REPORT 1979

1979 has been a relatively stable year for the East Kingston School. The staff saw very few changes which I consider to be favorable for the overall system. Enrollment continues to hover in the 130 range. As June 1979 ended we lost a rather large class of students that brought our enrollment down; however, new registrations in September and more recently in December have again brought the figure to over 130 students. Fortunately the enrollment has not overloaded any one grade so undue burden has not been placed on the school. As you will see, the figures show fairly even enrollment in each grade. The figures for the year-end 1979 are:

Grade 1	19
Grade 2	18
Grade 3	20
Grade 4	27
Grade 5	23
Grade 6	24
Total	131

(increase of 6 since September)

A review of our present staff and their assignments is as follows:

Sally Bowen: Grade 1 - Teacher and Assistant Principal - in her 12th year at East Kingston.

Elizabeth Williams: Grade 2 - Miss Williams took over in our second grade to replace Jeanne McManus. Miss Williams was our former teacher-aide and we are proud to have her as part of our teaching staff. She is an enthusiastic and energetic staff member as well as being an excellent teacher.

James McMahon: Grade 3 - in his fifth year at East Kingston. Jim has also taken on the assignment of teaching Physical Education to grades three through six. He also has worked to provide an intramural soccer program for these children after school in the fall and spring. It has been very successful because of his dedication and interest in the children of East Kingston.

Lynn Parsons: Grade 4 - in her 2nd year at East Kingston.

Carol Shine: Grade 5 - in her 9th year at East Kingston.

Jeffrey Quinn: Grade 6 and Principal - in his 6th year at East Kingston.

Connie Gilman: Part-time teacher who has been assigned to our largest class. She has been placed there because of its size and also to provide more individual services to children who need special assistance with their studies. Connie is in her second year at East Kingston. She is providing a better program for our students and we consider her vital to the educational sucess of our students.

Lynne Walker: Teaching-aide who is in her first year at East Kingston. Lynne took over Elizabeth Williams' former position. She is operating mainly in conjunction with Title 1 whose prupose is to provide remedial reading to students who need it. Lynne plans with and carries out the remedial program for these students as well as other students who might need periodic help in their studies.

Patricia Liddy: Music teacher - in her second year at East Kingston. Mrs. Liddy is providing a well-rounded music program for all the students as well as forming a Special Chorus of students in grades four through six who are interested. This chorus represents the majority of each grade who have benefited from more intense choral training.

Linda Scharf: School secretary who is in her third year at East Kingston.

Paul Morris: Janitor for both buildings of the East Kingston School. He is in his second year at East Kingston.

Other support staff include:

Judy Dunnan: Who serves as our speech teacher for one half-day per week. During this time she is seeing as many students as possible but we remain with a waiting list of at least nine students who need speech services.

Elaine Bean, R.N.: Began as our school nurse in May of 1979 and continues to carry out the functions of that position.

Finally, we have for the second year the services of an educational intern who is assigned to the 6th Grade. This individual is working to receive a Masters Degree in teaching from the University of New Hampshire. They usually have had classroom experience in some capacity and are here to gain the experience of one class for a full year. The purpose of this intern is to provide time for the Principal to attend to the administrative duties that he is required to perform. These duties make it necessary to leave the classroom and the presence of an intern means the children's education is not interrupted. This cooperative teaching has worked well in the past, as it has this year with intern, Mrs. Aimee Lambert.

The curriculum of East Kingston continues to be taught with what I believe to be a very high quality. National tests reveal that our students continue to rank well above the national average for their grade and age group. We are very pleased with this evidence of quality in the education that we attempt to provide. All curriculum areas are taught as prescribed by the S.A.U. #16 guidelines.

I also firmly believe that student success is only possible if a proper learning environment is provided by the entire staff. Our staff does an exceptional job in this regard. I feel the students know that this school is for their benefit and they are the most important people here. They are able to approach their education in a relaxed and comfortable fashion. We also expect quality and responsibility from the children and we are committed to standards of respect to all people - young and old.

This atmosphere of quality is also enhanced by the visible support of parents and individuals willing to give their time to make additional contributions to the school and the children. I once again must applaud the efforts of Mrs. Jane Bowley who continues to care for our school library and provide a library period for each child at least once a week. It would be much more difficult without her assiatnace.

Also our Parent-Teacher Organization has worked extremely hard in the past year in order to support the school. They provide many services to the children with the help of the parents and I have seem them grow into a well-organized and energetic group. We are msot thankful for their contribution.

In summary I would like to say that I see success in education as a combination of factors. I have outlined several here; a competent staff which provides a quality education; also a wholesome educational environment provided by people who care about children; and the support of the parents and community in the educational program. I believe each of these are present here and it has made 1979 a successful year for the children of East Kingston.

Respectfully submitted,
Jeffrey A. Quinn
Principal
